Dear Attendees and Donors of Kinetic Academy's Spring Fling,

The first thing we at Kinetic Academy would like to say is... Thank you!

Thank you for attending our Spring Fling. Your participation and contribution to the evening means so much to us. It was a great night to 'Come Together' and raise money for our school and students.

Each year, we strive to bring our Kinetic students the best possible education with a multitude of enriching experiences. However, with our basic operational costs, it can be difficult to create programs and host all of the student opportunities that we would like to, but with your support we can continue to make some of these experiences happen.

The grand total of money that was brought in from Spring Fling is \$21,000.

With the money raised at this year's Spring Fling, we plan to purchase new PE & recess equipment, acquire materials to start our library at the middle school campus and continue to hire quality personnel. With your contribution, we are so much closer to doing just that.

In the end, our students are the direct beneficiaries of your generosity, and our entire student body, can not thank you enough.

If you would like further information on how you can continue to support Kinetic Academy, please do not hesitate to contact me. You can reach me at 714-465-4565 or you can visit our website at [www.KineticAcademy.org](http://www.KineticAcademy.org)

Thank you,

Bre Lionetti
