

More fun, with less!

- Grade Level: **4th**
- Project Title: **More Fun, With Less!**
- Driving Question: **How can we invent new games to play with limited equipment?**
- Content Standards: 4.4 Accepts players of all skill levels into the physical activity.
4.5 Exhibits etiquette and adherence to rules in a variety of physical activities.
4.6 Works safely with peers and equipment in physical activity settings.
- Students will spend time using varied but limited P.E. equipment while collaborating with classmates to create one new large group game. Students will use team work, problem solving skills, and writing skills to create an outline of their newly created game.
- Major Products: Create game outline with rules and boundaries, Game presentation, and Game poster
- Making It Public: Teaching another class how to play their newly created games.
Posting their game posters for students to see!
