

GRADE LEVEL: TK/Kindergarten

PROJECT TITLE: Plastic is NOT Fantastic.

We LOVE the 3 Rs...Reduce, Reuse, Recycle

DRIVING QUESTION: How can we incorporate the 3 Rs (Reduce, Reuse, and Recycle) into our daily lives to make the Earth a happier place.

STANDARDS:

TK Earth Science- 2.4 Demonstrate an increased awareness and ability to discuss in simple terms how to care for the environment and participate in activities related to its care.

K Science- Keeping the Earth clean, plant flowers, create Garbageville and Recycletown out of recycled materials

K-E Social Studies 3- Earth and Human Activity: students who demonstrate understanding can communicate solutions that will reduce the impact of humans on land, water, air, and/or other living things

MAJOR PRODUCTS: B.O.B (Bring Your Bag) canvas bag decorating for grocery shopping, planting in a recyclable item with compost, Dale Chiluly inspired plastic water bottle art. Recycle Town and Garbageville

MAKING IT PUBLIC: Classes will share their major products with parents and loved ones at open house in May. Students will use their reusable canvas shopping bag during shopping trips.
