

1st Grade Entrepreneurs

KA Market Day

Driving question

How can we use our knowledge of goods and services to become entrepreneurs that design and market items and services to KA students?

Content

1. 6 Students understand basic economic concepts and the role of individual choice in a free-market economy and understand the concept of exchange and the use of money to purchase goods and services.

1.MD.4 Organize, represent, and interpret data with up to three categories; ask and answer questions about the total number of data points, how many in each category, and how many more or less are in one category than another.

SL 1.1 Participate in collaborative conversations with diverse partners and grade 1 topics and text with peers and adults in small and larger groups.

Major Products

Students will create goods or provide a service to the 2nd-4th grade community on our Market Day.

Public Presentation

Students will present their businesses to the 2nd-4th grade classes and will be their own store "clerks" for the students and the first grade parents.
