

3rd Grade

Kinecting Past to Present

Driving Question:

How can we as community members incorporate Huntington Beach's rich history into the city seal?

Content:

This project will focus on many Third Grade standards:
Social Studies-Students will research different groups that have shaped California's history (3.3)
English Language Arts-Students will write a persuasive speech (W3.1, 3.5)
Speaking and Listening - Students will give a persuasive speech to a mock city council (SL 3.1, 3.3)

Major Products:

Students will create a new city seal for Huntington Beach based on the history and different groups that have made up our community past and present.

Public Presentation:

Students will give a persuasive speech in a mock city council meeting, arguing why their new city seal best represents Huntington Beach.
