

TAKE CARE OF OUR PLANET!  
WE LOVE THE 3 RS: REDUCE,  
REUSE, RECYCLE!

**Grade Level:** TK/Kindergarten

**Driving Question:** How can we incorporate the 3 Rs (Reduce, Reuse, and Recycle) into our daily lives to make the Earth a happier place.

### Standards:

TK Earth Science- 2.4 Demonstrate an increased awareness and ability to discuss in simple terms how to care for the environment and participate in activities related to its care. TK students will create egg carton caterpillars and plant flowers!

K Science- K students practice keeping the Earth clean, will plant flowers and create toilet paper roll butterflies!

K-E Social Studies 3- Earth and Human Activity: students who demonstrate understanding can communicate solutions that will reduce the impact of humans on land, water, air, and/or other living things

**Major Products:** Students will plant flower seeds into reusable cups. Students will make a poster all about the 3 R's. Students will create butterfly and caterpillar artwork using recycled toilet paper rolls and egg cartons.

**Making it Public:** Students will take their planted flowers home and watch them grow!
