

1st Grade Entrepreneurs

KA Market Day

Driving question

How can we use our knowledge of goods and services to become entrepreneurs that design and market pet items and services to support a local pet organization?

Content

1. 6 Students understand basic economic concepts and the role of individual choice in a free-market economy and understand the concept of exchange and the use of money to purchase goods and services.

1.MD.4 Organize, represent, and interpret data with up to three categories; ask and answer questions about the total number of data points, how many in each category, and how many more or less are in one category than another.

SL 1.1 Participate in collaborative conversations with diverse partners and grade 1 topics and text with peers and adults in small and larger groups.

Major Products

Students will create goods or provide a service that is related to animals/pets to the 2nd-5th grade community on our Market Day.

Public Presentation

Students will present their businesses to the 2nd-5th grade classes and will be their own store "clerks" for the students and the first grade parents. All earnings will be donated to the WAGS Foundation.
