Staff Member:: Discussed that the teachers are teaching the standards and Units of Study does align to the state standards.

Parent: Addressed a concern when her daughter attended the shadow day at the East campus there was a pride flag posted in the classroom.

Parent: Addressed a concern about the flag representing a political statement and the students should not be introduced to this as they are awfully young for this topic.

Staff Member: Wanted to clarify what she has posted in her class. She explained that students did research and it's considered a reading project however, it's more of a writing unit. In the curriculum there are over 10 topics, there was a survey conducted over this topic and the outcome was 3 students that chose gender and sexual identity as their first choice regarding the research topic. This is why the student created this poster that was posted.
